nineteen hundred seventy four . . .

a time to share

To everything there is a season
And a time to every purpose under the
heaven;
A time to be born, and a time to die;
A time to plant, and a time to reap that
which is planted;

A time to kill, and a time to heal;
A time to break down, and a time to
build up;
A time to weep, and a time to laugh;

A time to mourn, and a time to dance;
A time to cast away stones, and a time to gather
stones together;
A time to embrace, and a time to refrain from
embracing;

A time to get, and a time to lose;
A time to keep, and a time to cast away;
A time to rend, and a time to sew.

A time to keep silence, and a time to speak;
A time to love, and a time to hate;
A time of war, and a time of peace.

Student Council Finds Friends From Brazil

The Student Council began its year of activities with the 8th Grade orientation. The council also provided other functions such as morning announcements, a student council center, and an activities calendar. However, the foreign exchange program proved to be the most successful project of the year. The students from Brazil learned many American customs to share with their friends and family. Other highlights of the year sponsored by the council included the Christmas assembly and the national student government day. Surely, the council's efforts this year provided a firm basis for future work that will continue to better student life.

Student Action for Education

The S.A.E., formerly known as the Future Teachers of American, increased greatly in membership this year. The group, under the leadership of Miss Bell, increased its funds by collecting dues and holding a very successful cake raffle. The funds were used for the purchasing of a book for the library and for a pizza and bowling party. Several members of the organization took part in a tutoring program. In this program, the students were assigned to various elementary school teachers, tutored several students, and did various teaching tasks. The members provided a great service to the elementary teachers, while they increased their knowledge of the field of education.

The G.A.A. was very active during the 1973-74 season. In addition to actual basketball games the G.A.A. held many practices during which the girls sharpened their athletic ability. Miss Hug, when interviewed, stated that "

a plus in the girl's favor was the excellent teamwork displayed by the organization members." As for the future of the club, Miss Hug hopes that in a few years the girls will build up an interscholastic gymnastics team. In this type of activity the girls compete against themselves and not against others. This perhaps is the key to real success.

"Ba-Ba-Ba-Ba--At the Hop!"
On Friday, March 8th the South Central students and faculty participated in a 1950's "Grease Day". Response was overwhelming with 99.99% of the students and faculty cooperating in the activity sponsored by the varsity cheerleaders to boost spirit for the Trojan-St. Peter's basketball game. The wardrobe of the day consisted of bobby sox, saddle shoes, black leather jackets and pegged pants. In class students held discussions centering around the manners and customs of the 1950's. The day proved to be both entertaining and educational.

The BSWSOTGSCHS provoked enthusiasm among the crowd such as that expressed by Mindy Barre, Linda Walcher, and Line McFarlin.

Comedy-Farce-Problem Plays Highlight Theatre Season

The 35 members of the drama club under the direction of Mr. Charles Leptey was an extremely active thespian group this year. The club has almost doubled in membership from last year, reflecting the enthusiasm of the students concerning the theatrical art. All of the productions this year were one-act plays. The bill of one-acts on March 29, 1974 when the members produced "Egad, What A Cad!", "Oggaline and the Time Machine," and "Impromptu," was the highlight of the season, according to

Mr Lepley

Mr. Lepley envisions a great future for this organization. In the offing are plans for a full scale musical or a 3-act drama and a summer workshop for new members to acquaint them with the stage.

Finally, the value of such a club cannot be overlooked. For example, two former members were given drama scholarships by major colleges.

S.C. Varsity Baseball Team Captures Firelands Conference Championship

The 1974 South Central Varsity Baseball team finished with a winning season. Of course, the high point of the spring sport was the capturing of the Firelands Conference Championship (20-3). Coach Hunt stated that the five starting Seniors were a great aid to the tremendous effort put forth by the entire team this year. Among the noted players this year were Guy Ebinger who led the team's hitting average and Dale Bond who shattered many long standing records. For his efforts in high school baseball, Ebinger has been awarded a baseball scholarship at Ohio University. The S.C. team was well on its way to the State Class A playoffs when a disappointing defeat at the hands of Gibsonburg halted our march toward ultimate victory.

SC Cindermen Strive for Success

Although the Varsity Cindermen were unable to gain a win this season, the effort they put forth was superb. Jim Montgomery set a new school record in the high hurdles of 16.9 seconds. Jim also led the team in scoring with a total of 70 points. Randy Garner was second with 50 points. Dave Cole third with 48 and Mike Jones collected 40. The 880 relay team scored the most points at the dual meets, while the mile relay team fared well most of the time. Tim Conaway performed splendidly at the long jump. Dave Cole did well in the quarter mile. Vaughn Liscal attempted to break the school's pole-vault record but failed. All in all despite the lack of victories it was a fine season.

Administrative Posts Change Hands

The 1973-74 school year has seen many new faces in administration. Last year Mr. Heller, now retired, took on the task of elementary principal. This year the vacancy left by Mr. Nelson was filled by Mr. Baker. The post of assistant principal was also assumed by Mr. Baker. Mr. Etzler completed his year as Southside High's administrative director. Mr. Oney and Mr. Gray were elected to seats on the Board of Education along with former members Mr. Baugh, Mr. Felt, Mr. Mays, and Mr. Etzler.

"... Have Something, Do Something, and Be Something in Life . . ."

It was a blustery day Sunday June 9, 1974 when 84 Seniors received diplomas during an impressive commencement exercise.

An unusually large audience was quieted by the traditional "Pomp and Circumstance" played by the band while the Seniors clad in misty gray and capri blue gowns marched onto the football field.

Howard Krikke (salutatorian) and Guy Ebinger (valedictorian) both delivered stimulating addresses. The Keynote speaker Mr. Milo R. Lude spoke on the topic "Three Ambitions" emphasizing "have, do and be something in life".

After a brief musical interlude by the band, the Senior class was presented for graduation by Mr. Nathan Baker, Principal Mr. Fishbaugh, board president, then awarded each student his diploma.

Thus these young men and women who began their school career in 1962 join the ranks of adults to launch a new and rewarding life.

A. Bob Bennett receives his diploma from Mr. Fishbaugh, Board President. B. Nervous Seniors await their cue from the band to march onto the football field.

A. During the recessional Seniors had to fight the brisk wind B Miss Jody Bauer is congratulated by Mr. Fishbaugh after receiving her diploma. C. Diplomas in hand Bruce Amburgy and Lori Albert seem somewhat relieved after the ceremony D. Guy Ebinger delivers his valedictory address "Be the Best of Whatever You Are"

S.C. CENTURION Staff's Goal: "Best Book Ever!"

The S. C. CENTURION Staff should be commended for their fine cooperative effort this year. During the year, the staff met all of its deadlines for copy preparation and photography. As a result this book was delivered ahead of schedule.

The Annual Staff voted unanimously to remove color from the book so the CENTURION Staff could purchase a new 35 mm. camera for annual staff photography. This camera made possible the numerous close up photos used throughout this book. Of course, the new investment will also provide a tremendous aid to the future yearbook staffs. Moreover, by not including color, the 1974 staff

erased a \$1 000.00 debt it had assumed for 4 years. Still the book that you hold in your hand cost approximately \$2 100.00. A great deal of the money was raised by the students selling ads and yearbooks. However a portion of the money was donated by clubs and organizations within the school itself. (Again, our thanks to them!)

Two Seniors, Marilyn Statzer and Jennie Sloan served as co-editors this year. They both were excellent organizers and workers. Consequently, everyone shared the total responsibility of an excellent, debt-free book.

Paul Lucas
CENTURION Advisor

The co-editors, Marilyn Statzer and Jennie Sloan, work diligently to meet a last minute deadline.
